The Roundheads used to meet in large numbers at The Crown and Anchor in Cheapside. A statue of King Charles I in the church of St Mary de Castro has often been mistaken for that of Oliver Cromwell. The Roundhead Club was formed in 1646 as an association of soldiers and radicals. They were the army faction of the English Revolution and led by Sir John Gellibrand, a soldier in the army of the Earl of Essex. The club met to discuss the results of the battle of Naseby, and the intentions of Charles II and his parliament. It also functioned as a vehicle for spreading radical ideas and beliefs in the time leading up to the restoration of Charles II and the beginning of the regency of his brother, the Duke of York.Q: How to get selected element id or class using jquery I would like to select the parent div element that has id or class selected. Something like $('.selected').parent() Thanks! A: $('.selected') is the same as $('#id-or-class'). As @Scott-B's comment suggests, you probably want $(this). f3e1b3768c
