

PES 2013 CLASSIC PATCH Back To The Finals 13.2

.5 The event has been completed. Now we focus on the final patch. [new] City Wars: The birth of golden sun will be the first event of the week. The first tournament is a city invasion tournament. Will you be the first to invade? The tournament is at 13:00 on Sun, 22/5 (2 days) City Wars: Golden sun and aftermaths (13.2.6) The patch will be released at 13:30 on Sat, 28/5 (1 day).
IMPORTANT The patch will be on PTR, and when it will release to live, will be sent to you automatically. Why? Travis: Because we do not want to overload the live server. If we do not want to overload, we have to schedule this event as another major event. We need the time to make and approve of major changes. Prize? Travis: The prize will be awarded at the end of the week. We can provide more information about this soon. What's the Point? Travis: To get the latest players and see how strong they are in another series. We do not want to win every tournament. We want to win with good players. The tournament will also be for a fun purpose. We also want to give the players an extra incentive to join the League of Legend. We will provide a detailed tutorial for this event.
What do I need to know? Travis: Rewards: Invitations Jungle Request Arena Invitation League of Legend All players can participate in this event. You can only play one game per account. You can request for any number of players. You can invite friends from your facebook or your discord server. Make sure your friends are on both channels. The invite from facebook must have been made at least 1 week ago. How to participate: Open the browser window. You will find the link of the event. Login the League of Legends and click on the blue version of the menu. Select "Help". You will find the invite option. Choose the option and invite your friends. Your friends will receive a email invite to participate in the event. League of Legend (LoL
