

They visit the old casino and discuss some of the history of the area. Jowels McBucket is a rich, black, faggot-looking capitalist who owns the casino and once dated Amanda outside the casino. This is revealed by the character comments before the character makes his appearance. Kenny Santana: A 17-year-old loner kid from Bakersfield, California. Kenny used to be a good kid before the epidemic, but has since developed into a vicious murderer who seeks pleasure from killing people. Afterward, Kenny's memory will be erased. Kenny has a blue afro, and is usually seen wearing a blue shirt with his sleeves rolled up, and usually at night. Kenny also has a tattoo on his back that says "rebel" and has a scar on his chin that he got during a fight. Kenny can be sometimes compared to the character Hannibal Lecter, in that Kenny can be considered extremely intelligent and he's a very calm, polite and friendly person until he decides to kill someone. Kenny is a psychopath and is the antagonist in the game. The Misadventures of Super Mario Brother 2: A group of six assassins that are working for the R.A.F.O. and were sent to San Andreas to assassinate Mario and Luigi, they would take control of their minds and make them do anything they want. The group consists of three women and three men. The one who actually do the job is Jowels McBucket who is a rich, black, faggot-looking capitalist. Luigi manages to get the real Jowels McBucket killed by the R.A.F.O. Knuckleheadz: This is the biggest threat for both the Superstars and the Assassinz. They are an extreme hard group of assassins that was sent by the R.A.F.O. to eliminate the Superstars. They are nothing like the Assassinz because they are more brash and loud. The leader of the Knuckleheadz is known as Nighteye. The Knockoutz: The Knockoutz is a group of three assassins who are organized by Knuckleheadz. They are the most powerful assassins in the game because they are the most advanced, but they are also more violent than the other assassins. The three members of the Knockoutz are the three female assassins who work for the R.A.F.O. and Jowels McBucket. Squig
