References Category:Populated places in Nehbandan CountyTeachers and Parents in the Bakery The Visions of the Bakery is a collective of parents and teachers who work with the school to identify existing practice or potential standards and to develop positive practice and/or standards around the use of our texts, which we share with teachers and parents to better support children. The school is divided into Early Years, Key Stage 2 and Key Stage 3. For each of these periods we are looking at specific social-emotional aspects of reading and writing; how these relate to the overall needs of our children and the impact that all of this has on the school as a whole.
