The idea of doing your own taxes and checking to see if you owe back taxes is, in fact, a really good idea. If you don't remember the year, or don't know what your return is for that year, you can easily go to the IRS' website, It will tell you if you already filed, or if you need to file. If you aren't sure how much you owe, it will tell you how much you need to pay. Here's the problem: I can't decide how good a policy it is for me to do the taxpayer thing, and how bad it is that I have to do it myself. Some years, I am very certain what my return will be. Other years, my return is closer to 50/50 chance, and I will have to "guess". This year I
